Comprehensive Plan Amendment

This amendment is a strategic move for the City to move forward with the long term need for a significant transportation enhancement for safety, capacity, and access. With this interchange shown on our Comprehensive Plan Map, it will allow the next step from the States perspective to happen; the item added to the Highway Needs Inventory Once a project is shown In the HNI, becomes eligible for being funded through the Consolidated Transportation Program. This could be 20/30 years down the road.
